

Municipal Valuation Services

Pursuant to subsections 22(3) to (5) of *The Assessment Management Agency Act* ("AMA"), the council of _____ (name of municipality) (the "Municipality") by resolution dated _____, 20____, has decided that the Municipality will carry out its own valuations and revaluations in accordance with _____ (name of applicable municipal Act) and any rules, orders or manuals that the Saskatchewan Assessment Management Agency ("SAMA") may establish.

The Municipality provided written notice of its resolution/decision to SAMA by _____ (form and date of notice) which notice was received by SAMA before December 31, 20____.

The council of the Municipality has obtained the written consent of the following school boards, on behalf of which the council authorizes levies, which written consent is attached hereto:

Only persons certified by the Saskatchewan Assessment Appraisers' Association may carry out valuations and revaluations for assessment purposes. [s. 22(6) AMA] The name of the person who will provide assessment services for the Municipality is _____ (name of assessment appraiser).

The Municipality will pay the fee of \$ _____ to SAMA where SAMA has undertaken a general inspection or reinspection in the Municipality within the previous three years.

The council provides this information to obtain SAMA's written consent so the Municipality may carry out its own valuations and revaluations commencing January 1, 20____.
